

Physical Therapist (Outpatient Ortho/Industrial)

Lynnwood, WA

Job Description

\$6,000 Sign-on Bonus! Northwest Return to Work is looking for a Physical Therapists with Outpatient Orthopedic Experience and/or Industrial Rehabilitation Experience to join our multidisciplinary teams in our Lynnwood, WA clinic.

The ideal candidates will possess 3+ years in UE orthopedic treatment experience, excellent interpersonal, communication, clinical and documentations skills, and the capacity to be a strong team player in a fast paced clinical environment.

We are very invested in finding the “right fit” for all new employees. Understanding this we require a job shadowing experience for a minimum of 1 full day. For serious candidates not familiar with or curious about an industrial rehabilitation we welcome job shadowing for 1-3 full days.

Come join our dynamic, forward thinking team as we strive to be the premier industrial facility providers in the Northwest. Grow with us!

Job Requirements

Education: Min. Bachelor’s degree in PT from an accredited institution.
Possession of or ability to obtain an unrestricted WA Physical Therapists license.
Proof of eligibility to work legally in the US.
